Subject: Items This Week

Hi Rick,

The only two things I have that are worthy of reporting out on at the RA's staff meeting next Monday are:

non-responsive

As far as the Dimock call went yesterday, Shawn was there so there's nothing to report to him. However, you should be aware that they discussed how to handle our release of the EPA video of the meeting with the Sautners. Nothing yet has been determined. Folks at HQs are looking into it.
